

Camagüey, Aug 31.- The University of Camagüey Ignacio Agramonte Loynaz welcomes the students who will continue from this September 1st the 2019-2020 school year, with the hygienic, sanitary and social distancing conditions created.

The correct use of the nasobuco and the disinfection of the hands at the entrance of the center and other points of the institution such as shelters and dining rooms stand out among the demands to be fulfilled by the entire university community.
